

Weather

Whether there is rain or shine we have plenty of shelter so that you can take classes and enjoy yourself in a dry and shady environment.

Facilities

- We will have hand washing and drinking (municipal water) stations.
- There will be a small kitchen set up with propane stoves and counters. You are welcome to bring your own stoves.
- We will have both porta-potties and composting toilets available.
- There will be one swimming hole and one dipping hole in which you can bathe.

For Purchase

There will be coffee, lunches, kombucha, and many instructor made crafts available for purchase on site.
